

CALL FOR PAPERS

The 3rd International Conference on NEW TRENDS IN SUSTAINABLE ENERGY "FROM WASTE TO ENERGY" ICNTSE 2020

November 2-3, 2020
Pharos University in Alexandria, Egypt

Organized by

Faculty of Engineering KTH, Royal
Pharos University in Institute of Technology,
Alexandria, Egypt Stockholm, Sweden

The main aim of **ICNTSE 2020** is to bring together leading researchers, academicians, engineers, scientists and related stakeholders with interest in sustainability, from various countries around the globe, to present their work and exchange ideas and experiences along the theme of the conference. We warmly welcome authors to submit abstracts of their research papers and case studies for review to ICNTSE 2020.

Conference Topics

- Energy Recovery Systems
- Tri-generation: Combined Cooling, Heating and Power Systems (CCHP)
- Producing Energy from Solid Waste
- Solar Energy
- Wind and Wave energy
- Geothermal Energy
- Energy Conservation in Buildings
- Energy and Ecosystem
- Sustainability in other Engineering Disciplines
- Energy Storage Systems

Important Dates

- April 1st, 2020: Abstract Submission Deadline.
- April 15th, 2020: Notification of Abstract Acceptance.
- June 15th, 2020: Full Paper Submission Deadline.
- July 15th, 2020: Reply with Referee's comments on Full Paper.
- July 30th, 2020: Final Acceptance of Full Paper.
- August 15th, 2020: Pre-registration and Payment.
- November 2nd, 2020: Conference Launch.

Abstract & Paper Submission

- Submission Email: icntse@pua.edu.eg
- You can also submit your full paper through the conference electronic submission system: <https://www.pua.edu.eg/faculty-of-engineering/icntse-2020/>

Registration Fees

- Egyptian Nationals: EGP 1800
- Non-Egyptian Nationals: USD 300

Publication of Papers

All accepted papers will be published in the Conference Proceedings (Online ISSN: 2357-0873 - Print: ISSN, 2357-0865). Selected papers will be published free of charge in a special issue of the Journal of King Saud University: Engineering Sciences, which is published by Elsevier and indexed in SCOPUS, DOAJ and INSPEC.

Keynote Speakers

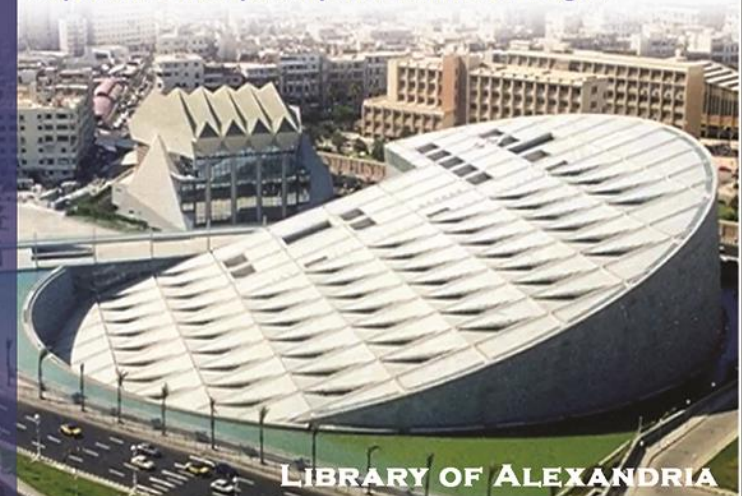

A number of prominent authors with demonstrated impact in the area of the conference theme will present keynote lectures.

Conference Activities

Paper presentations, Posters, Invited Keynote Speakers, Panel discussions, Student Sessions, Scientific and Industrial Applications Workshops, Tutorials and Exhibition.

Social Activities

ICNTSE staff will arrange for group and private tours to the historical sites and tourist attractions in Alexandria. It is also possible to arrange visits to attractions in Cairo, which is about 2.5 hours away from PUA. Visiting the "HISTORY" of many Civilizations that left their mark on Egypt along with attending the conference is once in a lifetime experience that participants will never forget.

LIBRARY OF ALEXANDRIA

Steering Committee

- Conf. Chairman
Prof. Mohamed G. Abouali (PUA)
- Conf. Co.Chairman
Prof. Björn Palm (KTH)
- Conf. Co.Chairman
Prof. Mohamed-Naim Y. Anwar (PUA)
- Conf. Secretary General
Prof. Mohamed-Fouad Zedan (PUA)

Chairs of Committees

- Advisory Committee
Prof. Mohamed El-Sayed Ali (KSU)
- Scientific Committee
Prof. Ahmed Abdallah (MenU)
- Organizing Committee
Prof. Hisham Elshimy (PUA)

The 3rd International Conference on NEW TRENDS IN SUSTAINABLE ENERGY "FROM WASTE TO ENERGY" ICNTSE 2020

November 2-3, 2020

Venue: Pharos University, Alexandria, Egypt

PHAROS UNIVERSITY IN ALEXANDRIA

Pharos University in Alexandria is the first Egyptian private university in Alexandria. It has 11 colleges accredited by the Ministry of Higher Education. It is a member of the Association of Arab Universities, the Euro-Mediterranean Universities Union and the Francophone Universities Agency. The colleges cover wide spectrum of specialties among them is engineering.

KTH Royal Institute of Technology, founded in 1827, is Sweden's largest technical university. KTH conducts research and education within engineering and technology. KTH has grown to become one of Europe's leading engineering schools. KTH with its state of the art facilities and distinguished teaching/research offers bachelor, master and Ph.D degrees.
